5IVE STAR GEAR®
URBAN SURVIVAL GEAR

2023
FULL LINE CATALOG

HIGH CALIBER APPAREL

Tru-Spec® offers a superior line of uniforms, apparel and accessories for every aspect of your life. Our extensive line of pants offer a solution for every activity and environment – on-duty, off-duty, recreational activities such as hiking, hunting or shooting at the range, workwear, or even a casual night out. The superior comfort and pocket versatility allow the pants to adapt to any situation. Our trusted backpack selection offers tough, durable packs of various sizes. Built with multiple storage options, most packs can accommodate a concealed firearm, laptop or tablet, as well as other necessities. No matter what your adventure, Tru-Spec's line of apparel and accessories is **Ready When You Are®**.

ACCESSORIES

All D3O® pads are made from rate-sensitive, soft, flexible materials with high shock-absorbing properties and perform well across a wide range of temperatures. Field-tested by soldiers and special units in combat to offer superior protection while remaining flexible and comfortable, making them ideal for the defense and LE markets.

WE
MEN

D3O® P5 ELBOW PAD

For use with T.R.U.® Direct Action (DA) Uniform Shirt
Allows superior flexibility and integration
Low profile protection
Temperature stable
One size fits all

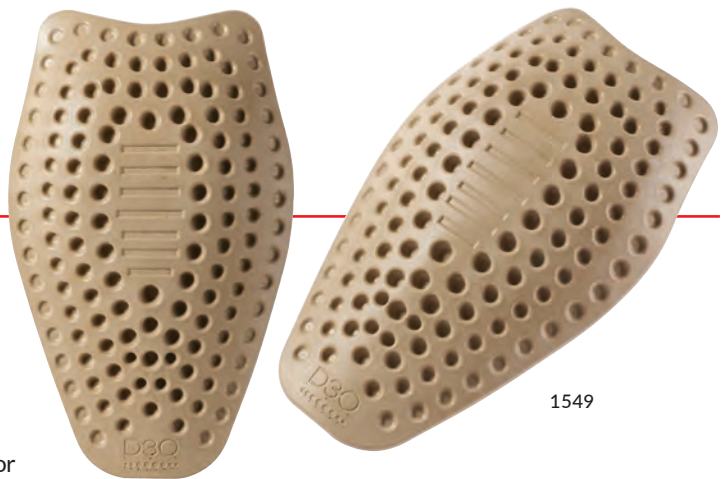

1552

D3O® P10 KNEE PAD

For use with T.R.U.® Direct Action (DA) Uniform Pants
Developed to mitigate both hard and sharp impact energies
Delivers a 50% reduction in transmitted force for superior impact protection, while being 50% thinner for improved mobility and comfort
When combined with the Advanced Vibram® Rubber Outer Cap on the T.R.U.® Direct Action (DA) Pants provides superior impact, puncture, flammability, and abrasion protection
One size fits all

1549

NEOPRENE KNEE & ELBOW INSERTS

Constructed from durable, shock absorbing 1/4" Neoprene foam
Specifically cut to maximize comfort while protecting the wearer

Item no. 4545

DUCT TAPE

Military-grade

Excellent adhesion to a wide variety of materials and surfaces

Coated backing for easier unwind

Great for outdoor camping, survival or adding to any Bug-Out bag

2" x 60 yds. rolls (180 feet)

24 rolls per case

3-COLOR CAMO COMPACT

Three(3) No-glare color variations: green, brown & black

Pocket-size case

Built-in mirror

Blister packaged

Hypo-allergenic

Waterproof compact

Item no. 5308

194A RANGER WATCH

Japanese movement

Water-resistant

Quartz battery

Luminous dial

Nylon band

Item no. 8407

WEATHERPROOF NOTEBOOK

Durable paper that can be written on when wet

Grid format printed on pages

Metal spiral bound with heavy plastic cover

48 pages per booklet

3" x 5"

Item no. 5206

SANDBAGS

Constructed from 100% woven polypropylene that resists punctures and tears

Maximum UV protection - lasts up to 1,600 hours in the sun

A dense, tight weave holds almost any dry substance

Built-in ties

Perfect for emergencies during hurricanes, flooding and suitable for military applications

100 per bundle

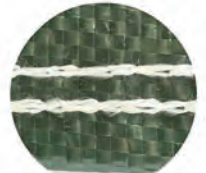

27" x 14.5"

OLIVE DRAB

9090

Hemmed opening
for easy opening
and filling

Double-stitched
base for enhanced
durability

GI SPEC 3-FOLD SHOVEL

Made to same specs as military issue shovel

Improved design with a rugged steel blade and all-aluminum handle to lower overall weight (2.4 lbs.)

Serrated edges for use as a saw and ax

Steel collar to secure the blade in position for added safety

It can be used for digging, sawing, chopping, prying, hammering or shoveling

9.5" when folded and 23" fully extended

Item no. 5139

GI SPEC 3-FOLD PICK/SHOVEL

Made to same specs as military issue shovel

Improved design with a rugged steel blade and all-aluminum handle to lower overall weight (2.4 lbs.)

Serrated edges for use as a saw and ax

Steel collar to secure the blade in position for added safety

It can be used for digging, sawing, chopping, prying, hammering or shoveling

9.5" when folded and 23" fully extended

Item no. 5127

to lower overall
weight

EMERGENCY BLANKET

Great for protection in all weather conditions during emergencies

Reflective material retains up to 90% of body heat to aid in the prevention of hypothermia and shock

Hi-visibility and Reflects sun for cooling in hot climates when used as shelter

Large enough to cover from head to toe, yet folds small enough to fit in a pocket

Great for use when hiking, backpacking, camping, traveling or in Bug Out bag

Windproof and waterproof

52" x 84"

Item no. 4946

2" X 3" SIGNAL MIRROR

.25" laminated glass

Scratch-resistant

Includes lanyard

Instructions included on the back

Sighting hole with a reflective screen that reflects sunlight for miles

Great for making sure you do not stay lost outdoors

Item no. 4946

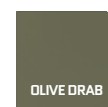

2" X 3" SIGNAL MIRROR POUCH

1000 denier nylon

Padded for added protection

The flap secures with a hook & loop closure

4521

BOOT LACE HANDCUFF KEY

Constructed of blackened brass

Designed to have a near-zero likelihood of detection yet still have the capability to be rapidly accessed when required

Cover the plastic lace aglet and with included rubber cover becomes completely concealed from view

It fits on all standard boot laces (not included)

Installs in seconds using only a pair of pliers

Patent pending

Made in the USA

Item no. 9065

COVERT HANDCUFF KEY

Constructed of lightweight, indestructible high, impact non-metallic plastic

Designed for use by trained law enforcement, military, and security professionals

It can be hidden on or about your body or clothing so that it cannot be easily detected yet be ready for your use if needed

Features a lanyard hole so that it can be sewn into or suspended in your clothing or gear

Designed for the detection and identification of stolen or altered items

After the protected item comes in contact with the skin, the body's amino acids react with the powder, creating a highly visible purple stain that can last for several days

Easy to apply lightly w/ brush (*brush not included*)

Non-Toxic

1 oz. container

Made in the USA

Item no. 9060

GI DOG TAG CHAINS

Stainless steel construction

Two-piece set

Set includes a stainless steel 24" ball chain with connector and a stainless steel 4-1/2" ball chain with connector

Individually Packaged

Item no. 4508

DOG TAG SILENCERS

Heavyweight rubber construction

Two-piece per set

Silencers are rubber grommet that goes around the military dog tag to silence it from making noise or rattling during movement

24-Pairs per Bag, Sold By The Bag Only

Item no. 4505

GI DOG TAG

Stainless steel construction with a matte finish

In the military, these are primarily used for the identification of dead and wounded soldiers as they have personal info about the soldier and convey essential basic medical information and religious preferences

100 tags per Box

Item no. 4509

SPORTSMAN'S SURVIVAL COMPASS

Liquid filled and shock resistant
Fits most watch bands
Also works great on paracord survival bracelets
Individually blister packed

Item no. 5169

RANGER PACECOUNTER™

Copy of genuine U.S. army rangers pace counter
Used to keep accurate pace count or distance walked
Tracks up to 5,000 meters (3.1 miles) of recorded distance
Works day or night
Instructions included

Item no. 4594

GI LENSATIC COMPASS

Built to the demanding specification MIL-PRF-10436N
Phosphorus night glow face
Equipped with a magnifying lens, sight wire, and dial graduations in both degrees and mils to ensure accurate readings aluminum frame and waterproof housing
CAMMENGA® Compasses are depended on by fighting forces, government agencies, and adventurous outdoor enthusiasts around the world
Includes nylon carrying pouch
NSN#: 6605-01-571-6052

Item no. 5160

GI SPEC LENSATIC MARCHING COMPASS

Sturdy metal case with luminous lettering
Liquid filled for easy reading and reduced wear
Dual scales in both mils and degrees
Scale 1:50,000 meters
Slide ruler

available upon request, ask for quote

HOW TO MEASURE

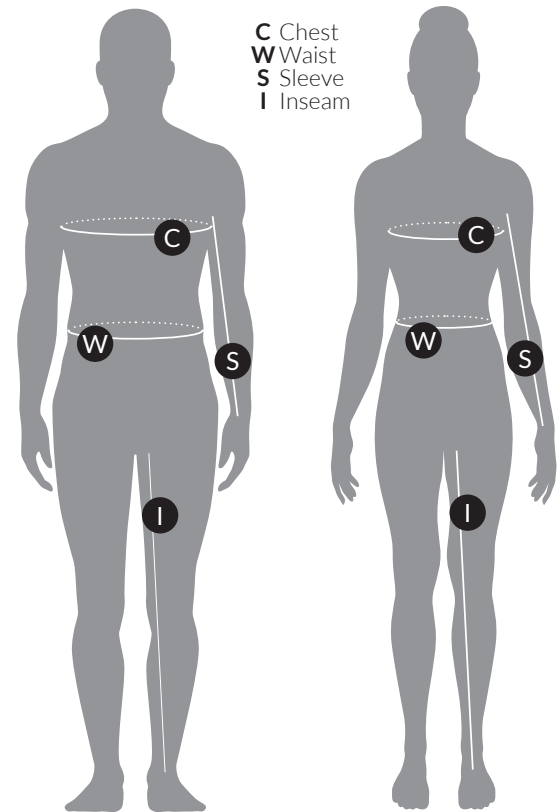

SLEEVE: Bend elbow, measure from center of neck in back to elbow and down wrist. Number of inches = size.

CHEST: Measure around fullest part of chest, keeping tape up under arms and around shoulder blades. Or, lay garment flat; measure from 2" below underarm to other underarm. Double.

WAIST: Measure around waist, over shirt (not over slacks) at the height you normally wear your slacks. Keep one finger between tape and body. Number of inches = size. Or, lay garment flat, measure across waistband. Double.

INSEAM: Take a pair of pants that fit you well. Measure from the top of the inside of your leg to the bottom of the pants. Number of inches (to nearest full inch) = inseam length.

BELTS: Order 1 size up from regular pants waist size.
